Explanation:

* **□□□□□□□□ (aazhutham)** translates to "energy" in a way that conveys both its power and its emotional impact.
* **□□□□□□ (illaad)** means "without".
* **□□□□□□ (aattal)** means "force" or "power".

This combination directly conveys the idea of a powerful, enduring energy that doesn't wane or cause exhaustion.
